

Exhibitor Information

**Saturday, April 17, 2010
Estrella Mountain Community College**

Why Exhibit at Southwest Valley Goes Green?

- Place your company, service and/or product before thousands of attendees eager to learn more about your environmentally preferable product, service or technology.
- Reinforce your notoriety and reputation as an exemplary green business committed to market transformation. We have a strict policy of who we allow to exhibit with us and each exhibitor is thoroughly screened to ensure that they meet our "green criteria".
